6th ASG Media Center can get your message out

The 6th Area Support Group Public Affairs Office has a number of resources to publicize and promote information for community members and organizations. Our internal media outlets include The Citizen (a bi-weekly newspaper serving Stuttgart, Garmisch and Oberammergau), Command Information Channel (a series of informational slides broadcast in all on-post housing and to kiosks in several public areas), Stuttgart Community Post (a weekly bulletin for Stuttgart residents), electronic marquees (broadcasting brief reminder-type messages on all Stuttgart-area installations) and 6th ASG Web site (www.stuttgart.army.mil).

To take advantage of these many media outlets, e-mail your information requests to media@6asg.army.mil.

In order to develop a comprehensive media plan to best meet your publicity needs, we prefer to receive requests 10 days before the start of a campaign (for example, information received on a Wednesday would appear in the following Friday's Community Post).
